that is the
question

Carol

When I got to the set, there were at least six different dildos and vibrators out for my selection. I took a few back to the dressing room and tried them out. I settled for this beautiful glass butt dildo because it fit my little puckered hole perfectly. When I got on my knees to insert it in my ass, I could see all the male assistants get erections. .

Nikki

Nikki approached us to do a pictorial for our magazine. We quickly agreed and set her up with a photographer.

I emailed the magazine because I heard my son's friends calling me sexy. I had never considered myself like that, but I kinda liked it and discussed it with my husband. He agreed and that was okay with me and we did this really hot shoot. Hope you like it. I did.

my job was not in jeopardy, but my integrity was

On Friday, Mrs. Hallin called me at the office to meet her at her house to continue the marketing meeting. Of course, I had to go. Little did I know I was also going to cum.

by Matt Ranier

MY AFTERNOON MARKETING MEETING

Mrs. Hallin's house, was only about a ten minute driving from my house. I walked up the steps of the apartment building. I opened the door where a cold bust of wind gently hit my face. The room was made to look like stone pillars with oak floors and a polished oak desk that matched the floors with an old man siting behind it.

As I walked past him, he didn't even glance up from the newspaper he was reading to see who I was. I walked to the elevator, pressing the tenth floor button. I quietly hummed to myself as it ascended. After it stopped, the doors of the elevator slowly opened to reveal a long, wide hallway with oak floors and paintings on the opposite walls. I walked slowly down the hall, looking at the numbers on the doors. I stopped at number 1055, where I gently knocked on the tall white door. It opened, revealing Mrs. Hallin in one of her usual skin tight clothing. I had to stop myself from wanting to tear those clothes off her.

'Come on in, Andrew." she said with a smile, as I walked past her into her tidy apartment. The floors, were wooden, with a shine that told me that she had just bought it. She had pictures of herself and family members or friends on the walls. Her furniture was all leathery black with a flat screen television in the family room. The kitchen, from what I could see, had oak cabinets with gleaming marble counters and a stainless fridge.

"Do you like my house, Andrew?" she asked, noticing me looking around.

"This is a really nice apartment." feeling so stupid after I spoke those words,

Dear Editor,

Sammi, Sammi, Sammi. Now that's one unbelievable woman. What a fucking body and sexuality to match. I can't get her out of my mind. I have to take the magazine into bed with me every night now. I jerk it to her pictures, especially the ones where she's getting it doggy style. I would not only do that to her, but I'd slip my cock into her ass, too. Then she could blow my rod until I came all over her great boobies.

I also dug the layout of Jessica. What a slut she was in the photos. The pigtails did not hide that, and the dark eyeliner accentuated it. But I have to admit that she took that big cock in her ass like the porn slut she probably is. I like the shot where the guy sticks his finger in her butt hole while he's fucking her. I would do that to her too, then stick my hard cock deep into her butt.

– Duncan, Detroit

but she just smiled at me.

“I was going to take a quick shower before you got here, but I guess you came quicker then I expected.” she said.

“I can wait if you still want a shower.” I said with a smile. She smiled and then said, “Okay, I'll be back in ten minutes.”

She left towards the bathroom. I took off my shoes and walked around the house for a bit. I then sat on one of the black couches. I could hear from the bathroom, the sound of a tap being turned and the sound of a zipper. I immediately thought of Mrs. Hallin getting undressed with me being not even fifteen feet away. I could feel my cock begin to throb. I looked over and saw that the door to the bathroom was ajar, meaning that if I walked over to the kitchen, I could probably see her undressing. Slowly, I crept to the kitchen, hoping she wouldn't glance towards me.

I managed to quietly walk towards the door. I peeked inside, seeing her bending over, her back towards me as she was turning off the bath taps. Then, she turned around. My heart jumped as I saw her begin to take off her shirt. She was wearing a black, lacy bra underneath. She then proceed to take off her pants. She slowly, took them off, almost in a striptease. I had a lump in my throat the size of a baseball as I watched her finally take the pants off from her ankles. I watched as her beautifully nude figure got into the tub.

I went back to the living room imagining her rubbing her body with soap and rinsing off with sensuous beads of water falling in slow motion down her body. I heard the water spiraling down the drain and I decided to go back for another sneak peak, hoping she would be toweling herself dry.

Caught!

“Andrew, what are you doing?” she said with a puzzled look on her face. “I'm so sorry,” I said, trying to make a desperate excuse as to why I was watching her.

“It's okay.” she replied with a smile, “I think that you've been watching me for quite awhile.”

“Why don't you come here and show me what you can do.” she said with a wicked grin. My brain wasn't thinking but somehow my feet managed to stumble over to where she was standing.

The very first kiss that night was the most memorable. Her lips were perfect, and I could smell the aroma of her bath soap.

That moment, time itself seemed to stop as we kissed. Then she started unbuttoning my shirt and when she finished, it fell to the floor.

She kissed me again, but this time, it was more quick then the last kiss. She was quickly at my jeans, opening the button and pulling down the zipper. Her hands were flashes as she quickly pulled down my jeans, revealing my grey boxers.

This time, I kissed her, more slowly, more romantically. I soon began kissing down towards her neck as I ended up near her firm full boobs. I slowly reached behind her and pulled her chest closer as I kissed both of her boobs. My mouth found one of her nipples and I started sucking on it and pinching on the other one. She let out small moans of pleasure as I switched back and forth between her boobs. I led her over to her oversized bed as I continued downwards.

I worked my way down towards her stomach, then lower where I teased her pussy with small butterfly licks. I gently kissed the inside of her leg all the way up to her pussy. I used my index and middle finger to touch her pussy slightly, making Mrs. Hallin cringe and let out a soft moan. I then proceeded to enter her pussy with my two fingers, shallow at first, and then deeper, as I gently finger fucked her. I could feel that she was about to cum but I wasn't done with her yet. I then licked the inside of her pussy with my tongue. That sent her over the edge as her body tensed up and she came all over my mouth, dripping onto my chest. Her juices were sweet, and that only intensified my hunger.

Mrs. Hallin seemed to recover quickly and pushed me onto my back on the bed. She then took my boxers off and my rather large ten inch cock popping out to greet her. She smiled as she began stoking it and massage my balls. She began stroking my shaft at a slow pace, then up to a steady rhythm. I could feel my shaft begin to engorge even more, signaling I was going to cum soon. She must have felt it too because she stopped stroking and started to lick the pre-cum off the head of my cock. I could have cum right there but I didn't.

She then put the whole head of my cock in her mouth. Soon, she had deep-throated it as her head bobbed up and down. Soon, my cock expanded again and I let out a huge moan as I felt my cum spurt into her mouth. As soon as I finished, she began milking me, sucking the rest of the cum from my cock.

She then laid me on my back once again and started to mount me. I could feel, as soon as she put her pussy on my cock, that she had a nice and tight pussy. She slowly began moving her hips, each time thrusting my cock further into her pussy. Then she picks up the rhythm and began thrusting faster. Moments later, she let out a moan of intense pleasure as she came just moments afterwards. I could feel my cock start to pulse again and then, as I let a loud groan, with one final thrust, I filled her pussy with more ropes of my man essence.

We laid there on the bed, hugging each other, my cock still in her warm and tight pussy. We must have fallen asleep because when I woke up, Mrs. Hallin was gone. I got up, feeling tired but proud of myself for scoring with her. I waked towards the kitchen and there was Mrs. Hallin making coffee.

“Hey Andrew,” she said, “would you like some coffee to drink?”

“Sure.” I replied. It was almost seven o'clock! I had been there for more than four hours straight.

“I have to go.” I said.

I had to leave, but I didn't want to. I said that I would come back so we could finish the marketing report. She just smiled and said that she would be waiting for me on Monday for another “meeting.”

I'm ready for this. are you?

It doesn't take much for me to get turned on. When I start to get horny, my blood boils quickly and my skin flushes red. Then my brain takes over and I start looking for cock. It's the one thing that overheats me and then cools me down.

I'm a sexual animal and I'm out for cocks

I love to have my pussy and ass fucked at the same time. If I remember correctly, I was 22 when I had my first dp with my then-boyfriend, Ted and his best friend Steven. He took me out to a nice dinner and he had gotten a hotel room for the weekend. When we got up to the room, it was filled with flowers, rose petals on the bed, and a bottle of champagne chilling. I wore my wedding gown since this was to such experience for me. Needless to say, it didn't stay on for long. They made me feel so special that I gave it up to them that night, and all the next day.

My husband was going to this tenth high school reunion and he was a bit concerned about leaving me alone at home. And with good reason. My high school girlfriend was in town and I still had the hots for her. As a matter of fact, I lost all my lesbian virginity to her, so she's very special in my life. Can't wait to see her.

Talley ho!

When she came into my life, I wasn't ready for what she was to do.

Darren, my husband, and I had settled into a comfy suburban life. I'm now 38 and it's been a year since our little Harry was born and not ready to raise another baby. After much debate with my husband, we agreed to try out a live in child carer, so to speak, an au pair. We contacted an agency with our request – a female, preferably from an English-speaking country.

After a few long weeks we were contacted with a choice of five young women and we selected Talley, a young lady from London who was studying in the States. She seemed very nice in her pictures and the bio said she was respectful, a good student and a hard worker.

Three months later Talley arrives at our door with the agent and a bunch of suitcases. We invite them in and sign the final paperwork with the agent. Talley is twenty-one and speaks English with the cutest accent. The agent left and the three of us sat down for dinner. Afterwards, we introduced her to Harry and she took to him right away. We set her up in our daughter's empty room and left her alone to get comfortable. In the morning Talley came downstairs to the kitchen and said good morning. Since it was now Monday, Darren had gone to work so it was just she and I. Over coffee she told me more about herself and her interest in being a full-time baby-sitter. She had just finished college here in Maryland and was anxious to become an American. We chatted throughout the day as I helped her unpack, and showed her what I expected of her taking care of Harry with me. The day wound down and Darren came home for supper and so the two of them got more acquainted and afterwards he told me that he thought she should be a good au pair.

Last week Talley came home from the market looking exhausted. I asked why she felt so tired and she said she had stayed up most of the night with Harry and he tired her out even more than usual. I consoled her as best I could and suggested that she go to bed and

My head is spinning. I have never been with a woman before. She is so very attractive now that I begin to look at her like that. I feel my resistance to her breaking down.

rest. She did and got up in time for dinner. The next day Darren was off to work as usual and Talley was with the baby as I did some household chores and made some phone calls to friends and set up my weekly appointments. It was nice to have time to get back to the things I missed doing.

One day, Talley asked if we could go shopping for some clothes for her because summer was coming and she had mostly winter clothes. So we packed up the baby and headed for the mall. At various stores Talley picked out a few things to try on and we checked out with a few bras and panties, and some cute summer dresses. Back at home she wanted to try on her new purchases and show them to me. I sat on the edge of the bed and she went into the bathroom to change. She looked great and the clothes were a perfect fit. I complimented her on her choices and she giggled like a schoolgirl.

With the baby sound asleep in his afternoon nap, she looks at me and starts to undo her bra clasp. I momentarily feel awkward and start to get up to leave. She says that I should stay and drops her bra to the floor. She rubs her breasts and asks if I would like to feel them. I say "NO!" but she says that they feel nice and firm and she would like me to touch them. By now I'm dumbfounded and don't know what to do. It's still a couple hours before Darren comes home so I'm stuck. Talley tells me to relax. "I know you're nervous but I found you very attractive the first time I saw you." she says. I tell her I'm old enough to be her mother. That I AM a mother. "That's okay with me," she says. "I like you a lot and I want you." "Talley, I don't think this is right," I say. "But it can be. Don't you like me?" she asks. "You know I do. You're already like a daughter to me," I say. "I can be much more if you let me." she says.

My head is spinning. I have never been with a woman before. She is so very attractive now that I begin to look at her like that. I feel my resistance to her breaking down. She comes over to me and kisses me softly on my cheek and moves her face around to kiss my lips. I find myself responding to her kiss and it feels warm inside. Talley takes my hand and raises it to her breast. I cup her boob and raise my other hand to the other one. I cannot believe I am doing this.

I don't know how to love a woman, but I find my face drifting down her neck to kiss her breasts. My lips replace my hands as I gently but eagerly suck on her nipples. She pulls my head tighter to her boobs as I move from one to the other. They are perfect 34 Cs with full brown areolas and perky nipples. I reposition myself, breaking contact with her breasts, so she takes advantage of it to pull her panties off. She moves in to undo my blouse but I tell her I could not let her do that. She said she understood, but could I just do her. She has been away from home and did not like any of the boys or girls at her college. I felt a bit sorry for her plight so that made it easier for me when she came closer and sat down next to me on the bed.

She said we should hurry because my husband would be home soon. I laughingly scolded her to stay away from him. She said she would because I was the one she wanted. As she lay back, she grabs my collar and pulls me down with her so my face ends up in her crotch. I say softly to her that I've never done this before and don't know what to do. She laughed and said to do just what comes naturally and to think about what your husband does to you. My sex life with Darren had improved ever since the kids left for college, but when the new baby came, away it went.

I start by licking around her labia, finding my way to her clit as she grunts and tightens her legs around my head. I do the best I can in the tight space. Her thighs loosen and I reach in and open her pussy lips so I can go in deeper. My tongue penetrates her hole and she arches her back to meet my motion. Even though it's only been a few minutes, I think I'm getting the hang of it. There's a familiarity to her genitalia from being a woman, so I know how much pressure to apply and what to do with my tongue. The sweet smell of her pussy is a bigger turn on than I ever imagined. Aromatic and sexy.

Talley reaches down to open her lips and I find her clit again. It is poking out and she begins to rub it as I lick lower down her opening. I insert three fingers and she buckles at their intrusion. I finger-fuck her for a while as her pussy juices drip from my hand. Again I replace my fingers with my tongue to taste her sweetness and I find it's turning me on even more. Rolling her clit around with my tongue is something that I quite liked.

She moaned louder as I found my fingers fucking her harder and harder. As I did, I found my thumb brushing her her anus and every time it did, she moaned even louder.

Suddenly she rolls over onto her knees and lifts her ass up offering her butthole to me but for some reason I just couldn't go there. I did, however, reinsert my fingers into her pussy as she kept rubbing her clit. I started with one, then two, then four, leaving my thumb outside for leverage. She moaned louder as I found my fingers fucking her harder and harder. As I did, I found my thumb brushing her anus and every time it did, she moaned even louder.

Daringly, I rubbed it in small circles and teased it with a quick shallow thrust of my thumb. That, apparently was a huge turn on for her that I would file in the back of my mind if there was even a next time. After a few minutes she screamed out in a frustration-releasing orgasm so loud that I was taken aback by it. Nonetheless, I helped finish and gave her wet pussy a little you're welcome kiss. Talley falls back on the bed and smiles at me. She tells me how nice that was. Did I like doing it? I confessed that I did even though I didn't think it was right.

She said that she wouldn't let it happen again. I told her to be sure that it didn't – with a big wink. An hour later the sound of a screaming baby pierces the house and fifteen minutes after that Darren comes home and I go to the kitchen to start dinner. I hear them in the living room talking about their day. A half hour later I say dinner is served. We finish and I offer dessert. Talley – with a big wink – passes, saying she has had hers already.

I love one-night stands. But I'm careful with who it is, usually it's someone I know or want to get to know. And when I bring them home, they know they're gonna get a good fucking. I'll start with cooking a homemade dinner, some good wine and a great blowjob in the least. Then I'll take them over to the sofa and strip them and myself naked and sit my tight pussy down on their hard cock. Then we'll fuck until I kick them out.

I like to have fun when I fuck. don't you?

When I saw your magzine, I looked through it with my husband at the time and decided that I could do it. We took some photos and submitted them. When asked to do the shoot, my ex got cold feet and the matter died. But I was still interested and when we split, I contacted you again and shortly thereafter did my first shoot. I had a great time and this one is my third shoot.

Damn! I never thought I'd be fucking more than one guy. Then I tried two, and then three, and then... well you know how it goes. As the scene started and the hormones take over, it seemed effortless. I especially liked yanking all the cocks and having them cumm all over me. I think you can see that in the photos.

I can take you all on.
